- 免修: 指該科目已列入本系(必修或必選)畢業學分數,在不變更加修學程規定最低應修學分數原則下,准予免修,惟免修後,因此而不足最低應修學分者,應指定替代科目以補足所差學分。  
Waiver: It means that the original department has already regarded the subject the required one for graduation. The waiver comes into effect when the minimum of the required credits of additional studies is not influenced. If a student's credits are under the minimum because of the waiver, other subjects should be assigned to a student for making up the deficient credits.
- 抵修: 指該科目未列入本系畢業學分數,得經加修學程學系審查同意後,採認其學分(但超過加修學程規定最低應修學分數,經本系同意後仍得採認為本系一般選修畢業學分)。  
Transfer: It means that the subject is not regarded as the required one until the additional department admits them. Nevertheless, if the credits are over the maximum, the subject can be taken as the regular elective one after the permission from the original department.
- 指定替代科目: 不勾選免修或抵修,請於審核意見欄填寫註明為指定替代科目。  
Other subjects assigned: Without selecting waiver or transfer, please note as other subjects assigned in comments column.
